   Students representing Joint Honours and part-time programmes, as appropriate;
   Students from the electives provision, where appropriate.

   Students should be consulted regularly on the appropriateness of the representation.

iii) Staff membership of the Forum should include:
   • Head of School;
   • Director of Student Education;
   • At least one representative member of teaching staff.

   It may be appropriate to include year tutors and/or programme leaders but the staff membership should not outnumber the student membership.

iv) The most appropriate time for level 1 student elections is the beginning of the academic year whilst for returning level 2 and 3 student elections the end of the previous session may be more appropriate. Specific time should be set aside during intro week to explain the importance of the Forum and the role of the student representatives.

v) Nominations should close at the end of week 3 and elections should take place in week 4. It may be more appropriate for the elections to take place at other times of the year and this should be arranged in consultation with the students.

vi) Specific time should be set aside by the Department/School for the elections and hustings. The responsibility for running a fair election should rest with the Head of Department/School or his nominee.

vii) New members of the Forum should be provided with a copy of the minutes of the previous session.

viii) The names of student representatives should be forwarded to the University Union as soon as possible after the elections to enable training events to be organised by the end of week 5.

ix) The Chair may be either a member of staff or a student representative. The Forum may be co-chaired by a member of staff and a student representative. The Chair(s) should be elected at the first meeting of each session.

x) The secretary of the Forum need not be a member of the committee and can come from the staff of the Department/School.

xi) One student member of the Forum should write an annual, brief report for the University Union and this should be copied to the Head of Department/School and to the QA Team.

xii) The Forum should ensure that the views of other individual students, who are not representatives, are considered by the committee as appropriate.

C Meetings

ii) Items for the agenda can be submitted by both students and staff.

iii) The dates of the meetings should be publicised at the start of the year throughout the Department/School. The papers for each meeting should be circulated at least 10 days in advance of the meeting to allow the representatives to consult as necessary.

iv) Meetings can be held more often as the need arises and can be called by a group of either staff or student members. At least 2 weeks notice should be given for
any additional meetings.
