Student accepts or declines

Students can indicate their intention to retake assessments through the online process.

School update Progression Tool

SWARSIT Banner form is updated accordingly by the Exams and Progress team for all applications received.

Banner data is captured to populate the Exam Timetable Software.

Information must be received by the deadlines shown in the Timeline of Events. Note the deadline for finalist information is different to the deadline for non-finalist information.

School runs the SWRPRFA report and email this to the Exams and Progress team.

School files notification from student. No further action is required.

It is not essential for students to indicate their intention to take first attempts. But if they do, the Exams and Progress team will process the application and cross reference with the SWRPRFA reports.
